Dear Fellow Rotarians

Well it's a new year and we begin to face the challenges of our past excesses. We are still in a financial crisis with unemployment growing every month. We watch as this crisis begins to wreck havoc in poverty centers like Trenton.

Rotary's mandate is to help in International Projects around the World, like ending Polio, providing safe drinking water and sanitation in Haiti, and in South-East Asia.

Yet under any condition, 'charity must begin at home' as the saying goes, it will be very difficult to consider projects overseas while our neighbors desperately need help.

In oncoming weeks this will be the difficult decisions that we as a club will have to make.

Yours in Rotary
Bob Waite
